VOCABULARY

PART 2

Review all the words from pages 59-65 of your coursebook (Chapter 1– 6).

Tips

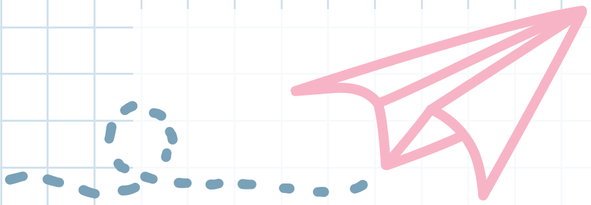

1. Make sure you understand the meaning of each word and know how to use it in a sentence.

2. Understand the meaning. Don't just memorise definitions; understand how and when to use each word.

3. Read example sentences to see how words are used naturally.

4. Learn collocations. Notice which words commonly go together, such as *make a decision and take responsibility*.

READING

PART 3

Strategies for short reading passage (True/False)

Step 1: Read the passage *QUICKLY*.

Step 2: Read the questions **only** and find the keywords in the questions.

Step 3: Find the keywords in the paragraph.

Step 4: Distinguish between True and False
True – The passage clearly supports the statement.
False – The passage gives information that contradicts the statement.

PART 3

Strategies for long reading passage (multiple choices)

Step 1: Read the passage *QUICKLY*.

Step 2: Read the questions **only** and find the keywords in the questions.

Step 3: Find the keywords in the paragraph.

Step 4: Read the choices (a-d). Find the same meaning.

Step 5: Same meaning = correct answer.

GOOD LUCK!
